Message from The President

Greetings to fellow GENA members, residents, and sponsors!

Our next meeting will be held on **January 12th** at 7:00 p.m. Please arrive at 6:00 p.m. for visiting hour and refreshments. Two speakers will be present for this meeting, Suzanne Jenkins, former city council member District IV, and a speaker from Woodmen of the World. I am urging all of you to come out and participate.

A lot of things are happening with GENA. As you may know, little Englewood Elementary was adopted by GENA this past October. Teachers have advised that they are in need of such items as: No. 2 pencils, erasers, and incentive gifts such as crayons, coloring books, toy harmonicas, etc. These items can be purchased at the Dollar Store for a minimum charge. In honoring our commitment to the school, I am requesting all members to please bring in items at our January 12th meeting.

We plan on having a busy year and are asking for everyone's support. Furthermore, we currently have positions open on our board and are also in need of a secretary. Be a plus for your community and get involved! If you are interested in participating with the board or in the above-mentioned position, please contact me at 904-636-0851.
